**Smokebusters Rally – Saturday – February 4th
9:00 a.m. to 11:00 a.m.**

Hannibal Arts Council - 105 South Main

Here is a tentative schedule for the morning of February 4th.

Breakfast 9:00 – 9:30

Along with breakfast we will have a cardboard people chain for each person to sign, leave a message of support for smoke-free indoor air, decorate, ect... The chain will be assembled and used at various events to show real support for our cause.

9:30 – 9:50 – Welcome and mixer activity

9:50 – 10:20 – Speaker

Before the speaker TRICO Smokebusters are planning to give everyone a sneak peak at their “Smoking is Not Child’s Play” mural. Reminder: If you are collecting butts for us, please bring them to the rally.

10:20 -11:00 – Advocacy Event

We are planning to photograph a “Human Chain” in support of smoke-free indoor air. This chain will be photographed by a professional photographer in front of a Welcome to Hannibal sign.

11:00 - Depart for the CHART’s Teen Health Fair.

We will have t-shirts for all registered attendees (you basically register by letting me know in advance about how many students you plan on attending) and neat prizes. This will be a great time for the students! You still have time to make plans to attend!
